What is the Ko‘olau ‘Ohana Festival?
The ‘Ohana Festival is KEY Project’s major annual fundraising event, assisting our 501(c)(3) non-profit agency with critical unrestricted funds. Your support ensures that the community center is well-managed and fully able to support the many prorams and services that KEY offers to the community in Ko‘olau. The gathering is also an opportuntiy for us to share some of our programs and provide a venue for our local farmers and vendors to showcase their goods and services. It is also an opportuntiy for us to acknowledge the vibrancy of our windward community!

When, where, and what time is the event?
On Saturday, October 20, 2018, the event begins at 5:00pm with pupu, live music and our popular silent auction and plant sale. Dinner is served at 6:00pm followed by a formal program. The event takes place at KEY Project’s multi-purpose center 47-200 Waihe’e Road, Kāne‘ohe, HI 96744. Free parking is available along Waihe’e Road and the adjacent Kahalu’u Regional Park (ADA accessible).

What is the cost to attend the Ko‘olau ‘Ohana Festival?
There are three sponsorship levels. Ke Ala sponsorship $2000, Ka Paepae sponsorship $5000 and Ke Kahua sponsorship $10,000. Each table seats eight (8) guests. Although we will not be selling individual tickets, individuals are welcome to ‘ohana-up to fill a table of eight – or we are more than happy to coordinate with other interested individuals for a shared table! We expect tables to sell fast, so please reserve your table as soon as possible.

What is KEY Project?
We are a 501(c)(3) non-profit organization (FEIN No. 990118209) that provides a wide array of programs and services for youth and families of the Ko‘olau region. Our focus is on prevention and transitional support, including positive learning options for our youth such as tutorial help and recreational activities during critical summer months, intercessions and evening hours. We also house programs from other community service providers who align with our mission, including early childhood assistance, meals and social activities for seniors, alternative education options and food distribution for those in need.

How can I get additional information?
Please call (808) 239-5777 or email us at vfreitas@keyproject.org. For more information about KEY Project, visit our website at www.keyproject.org.
